## **Noah Enterprises Inc. Employee Earns LEED Certification**

**Virginia Beach, July 7, 2009**— Noah Enterprises, Inc., a woman-owned small business, general contractor announces that Cindy Stringer has achieved the LEED AP certification. LEED Accredited Professionals (LEED APs) have demonstrated a thorough understanding of green building practices and principles and the LEED Rating System. More than 75,000 people have earned the credential since the Professional Accreditation program was launched in 2001.

Carol R. Curtis, President and founder of Noah Enterprises remarked, “Since its inception, Noah Enterprises has been building on a solid foundation of industry experience, work ethic and a dedication to client service. Our team is excited and energized by Cindy’s professional development. We look forward to serving the needs of commercial, industrial and governmental clients with growing success in an eco-friendly environment.”

Founded in 2004, Noah Enterprises’ expertise covers the full spectrum of general contracting services – new, renovation, design/build and fast track construction. The firm serves a wide variety of commercial, governmental and industrial clients. The company is headquartered in Virginia Beach, Virginia.
